APPOMATTOX, VIRGINIA

A LIVE WEEKLY NEWSPAPER AT HISTORIC APPOMATTOX COURT HOUSE VIRGINIA

78 NUMBER 33 APPOMATTOX (VA.), 24522 - TIMES-VIRGINIAN - AUGUST 19, 1971 10¢ SINGLE COPY

Construction Begins On New Bridge

A workman cuts through a supporting girder with acetylene (at right) as fellow workman checks progress on demolition of old bridge to make way for a newer, wider one.

Three From County On Area Committee

Three From County On Area Criminal Justice Advisory Committee Reorganized - In order to comply with criteria recently clarified, the Special Projects Committee, with concurrence of the full Central Commission, has revised the Criminal Justice Advisory Committee structure and membership to provide "equitable representation" for the member political sub-divisions.

It had been decided that each participating political subdivision in this District should be represented by three members: including one person in active la w enforcement, one person active in a related criminal justice agency, and one member of the general public.

Appomattox County is represented by J. E. Richardson, sheriff; the Honorable George F. Abbitt, Judge; Miss Lelia T. Mayton, extension agent, home economics.

Concerning another matter Cent. Va. Planning Dist. Commission stated this week in a newsletter that CVPCD has received information that the Virginia Council on Criminal Justice will not consider funding radio equipment until anagency is in compliance with several policy requirements and prior approval from the Federal Communications Commission must be attached to any application made to CVPDC.

District #7, Va. Council on Social Welfare will holda meeting Sept. 23, at Edgemeade School for Emotionally Disturbed Children, in Franklin County. Additional information and directions may be obtained by contacting Giles Lambert at the Lynchburg Juvenile Detention Home.

Cent. Va. Planning Dist. Comm. has submitted an Action Grant Application to the Division of Justice and Crime Prevention to the amount of $5777. Awarding of this grant will permit this commission to provide 54 hours of in-service training for Juvenile Detention Personnel.

UDC Picnic Canceled

The annual picnic of the U.D.C. planned for Saturday, August 21st, has been CANCELED due to the illness of the Appomattox Chapter President, Mrs. A. J. Zastrow.

Bridge Closed Over N & W

T. E. Pittman, Resident Engineer, Dept. of Highways, has advised the TIMES-VIRGINIAN (and thus our readers) that the bridge over the Norfolk and Western Railroad on Route 1003 is closed, effective Monday, Aug. 16, 1971. Secondary Route 1003 from Route 691 to Route 1008 will be closed to through traffic, and a detour will be established beginning at the west end of the project and using Routes 691, 131 and 1003 to its intersection with Route 1008. This bridge will be closed until approximately Nov. 15,1971.

ACHS Band To Begin Practice Monday, Aug. 23

Mr. Frank Coffey, Band Director at Appomattox County High School, has announced that the high school band will begin practice on Monday, August 23, at 9 a.m. in the high school band room. Practice will continue through August 26.

All experienced players in grades eight through twelveare urged to participate in this preschool practice.

Lawson Ford Announces PP&K Contest

Monday, August 16, registration began for the 1971 Punt, Pass and Kick Competition in the showroom of Lawson Ford, Inc. In making the announcement, Dick Bland, General Manager of the dealership, said: "We're looking forward to a big local PP&K competition in Appomattox on October 2nd. We hope all the boys 8 - 13 years of age in this area will come in and register and take part."

LAWSON FORD, Inc., pointed out that PP&K - throughout its six levels of competion - is free of any charge, and that a boy need only have a parent or his guardian accompany him to the showroom to register.

"Our competition here will have 1st, 2nd and 3rdplace trophies for boys in each of the six age groups, or 18 trophies in all," said Mr. Bland. "Increasing each boy's changes of winning is the fact that he competes only against other boys in his own age group," said the Ford dealer.

There is no body contact during PP&K competition and no special equipment is needed. It's punting, passing and placekicking for distance and accuracy, just as the name says. First place winners in each age group in our competition will go on to the zone competition. And from there, top winners go on up the ladder through district, area, division and national finals.

This is the 11th year PP&K has been sponsored by the Ford Dealers of America. In that time more than 7,000,000 boys have taken part in PP&K, making it the biggest and best youth activity of its kind in America. Last year approximately 100 boys from our area entered this competition.

PP&K is sponsored locally by LAWSON FORD, INC., and the local Jaycees organize and operate the punt,pass and kick competition.

In Appomattox, registrations for the 1971 Punt, Pass and Kick (PP&K) competition will be accepted from August 16 to September 30 at your Ford dealer. Remember, all boys from age 8 to age 13 are eligible and are invited to register at Lawson Ford for this competition, however, each boy registering must be accompanied by one of his parents or his legal guardian.

Supervisors Vote Support For Pamplin Firemen

Chairman of the board of supervisors, Otho Martin, Jr. (center) accepts a check for $8,468 from W. C. Stanley, supervisor, Va. state forests. The money represents one-fourth gross proceeds derived sale of timber and other forest products fro m the lands of the Appomatox-Buckingham forest in Appomattox county for the fiscal year just ended. On the left is Appx.-Buck. State Forest Ranger, Carter A. Taylor.

Receive $8,468 For Timber & Forest Products

Appomattox County Supervisors, meeting Friday in regular session, dealt with what appeared to be more than the usual number of subjects pertaining to county affairs in a meeting which lasted more than five hours.

One of the most pleasant of their tasks was to accept the annual payment from the Va. Division of Forestry for lumber and wood products sold from the Appomattox - Buckingham State Forest.

Making the presentation of a check in the amount of $8,468 were W. C. Stanley, Supervisor, Virginia state forests and Carter A. Taylor, Ranger, Buckingham State Forest.

Supervisors also put their stamp of approval on an ordinance to impose a county license tax on fortune tellers, clairvoyants and practitioners of palmistry and phrenology.

According to the proposed ordinance "any person who, for compensation, shall pretend to tell fortunes or assume to act as a clairvoyant or to practice palmistry or phrenology,within the boundaries of the county of Appomattox, Virginia, shall pay an annual county license tax of $500.

The ordinance states further that "No license issued under this ordinance shall be prorated. Any person who, for compensation, shall engage in the practice above described without the license required shall be fined not less than $50, nor more than $500 for each offense."

This ordinance can be adopted following a public hearing pursuant to the provisions and under the authority of Section 58-3771 of the Code of Va.

Supervisors appointed Leonard Garrette as dog warden for the county for another year.

Supervisors talked at length with Commonwealth's Attorney Harry Gordon Lawson and Sheriff Gene Richardson concerning insurance coverage for law enforcement officers in case of lawsuits.

The Commonwealth's Attorney said that in an age of rising crime and increasing difficulty in making arrests and pressing for conviction of persons accused of crimes, there is a need for such insurance.

No action was taken on this matter.

Supervisors, following a conference with Pamplin fire chief H. J. St. John and Fire Dept. pres. Weldon Covington, agreed to contribute $1200 of the county's funds toward the cost of a new fire engine for Pamplin.

Pamplin firemen are nowusing an aging fire truck plus a 1950 tanker used by Transcontinental Pipeline Corporation when the pipeline was put through more than 20 years ago.

Fire chief St. John and Covington said that a thorough canvass of the Pamplin area yielded about $9,410 of the estimated $15,000-$16,000 it will take to buy a new fire truck.

Cloverhill supervisor O.H. Tolley emphasizedthat firemen had indeed done a good job of canvassing and Southside supervisor John C. Cole said that it is almost impossible to make "an assessment of the value both of the Rescue Squad or the fire departments which serve Appomatox county."

The Pamplin firemen revealed that fire fighters there "can and do ruin their 'Sunday clothes" sometimes because the department has no adequate fire fighting suits.

Firemen anticipate an even higher figure than the $8,000

(Con't. on Page 11)

WhereWill You Vote?

If there is any question about where you, as a voter in Appomattox, are supposed to cast your ballot in the November election, please get in touch with Mrs. Emma Lemon, General Registrar, Appomattox county.

Because of the necessary shuffling of voters from Southside District to either Cloverhill or Stonewall districts,there may be an error or two, according to the county board of supervisors.

Mrs. Emma Lemon is in her office each Thursday - third floor, Court House building, Court St., Appomattox. Her office telephone number is 352-3401. The change of district was necessary because of the General Assembly ruling of "one man-one vote", and each of the three magisterial districts within Appomatox county now has approximately one-third of the entire voting population.

Ditty Bag Time Again

"Ditty Bag time has rolled around again," according to a note received from Mrs. Don Moses, secretary for the American Red Cross.

The "Ditty Bags" are given to servicemen overseas, sewed by volunteers here at home and filled with a variety of useful items - most of them given by individuals or organizations who want to show in a concrete way their concern for our fighting men.

The "Ditty Bags" are being filled now, reports Mrs. Moses with a deadline set for Wed., Sept. 1. Mrs. Moses asks that all interested persons telephone 352-8877, her number, for further information.

The following items are suggested as suitable(and itis permissible to include items bearing commercial names): ballpoint pens, pen - sized flashlights with batteries, small pen knives, cigarette lighters, soap cases, writing paper, address books, toothbrush holders, washcloths, nail clippers, cigarette cases, combs, voice taps, tins of nuts or candies, snapshot holders, plastic bags, pocket games, calendars, bandages, "C" batteries, socks, stainless steel mirrors.

All-Stars Win Four In Tourney

Appomattox Minor League All-Stars, as of Wednesday have not lost a game in the current District Six Invitational Tournament now going on at the Woodmen Field, Appomattox.

The Appomattox All Stars, under the coaching of S.L.Ferguson and Bob Stewart, have won, thus far, a game on Tues. Aug. 10 against Halifax County 7-0 -- then again on Sat. Aug. 14 against Blackstone (10-3). A third game was played Mon., Aug. 16 against South Boston with a winning score of 29-6. Tues., Aug. 17 they beat Rustburg 16-10.

The only other contender remaining in the tourney is Blackstone with a three and one record (that one loss against Appomattox, of course.)

A game was scheduled for Wed., Aug. 18 against Blackstone (weather permitting)-and since the tourney is a double-elimination, there remained the possibility of a second game by Appomattox against Blackstone.

Other teams participating in the tourney include Blackstone, Halifax, Brookneal, Chase City, Charlotte County, Rustburg and South Boston.

Volunteers Work At Historical Park

Is the Courthouse the building where the surrender took place? Why was the town moved to present-day Appomattox? Is this house original?

Seven female Volunteers from Appomattox County High School have been answering these questions and many others throughout the summer at Appomattox Court House National Historical Park. The girls are participating in a nation-wide program called Volunteers In Parks.

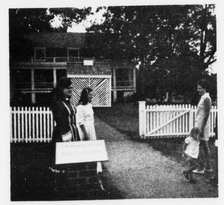
The Park recruited the volunteers last spring with assistance from Mrs. Polly DePew of the High School Guidance Department. After a two-day training program in June, the Volunteers began their work. For the most part they work directly with visitors--helping them to understand and enjoy the Park. The girls have proved to be quite versatile helping visitors at the Visitor Center, the Country Store, the McLean House as well as sorting and interpreting artifacts and doing some typing. Park Superintendent F. A. Gould said: "Our volunteers are giving a very precious thing -- their time. Because of their efforts people from all over America are receiving a high quality park experience at Appomattox."

When asked why she was volunteering her time, JosieMegginson said: "I've always loved history and thought it would be interesting to work in such historic surroundings. I enjoy talking with the visitors. They are eager to talk with us and ask us all sorts of questions."

Another volunteer, Virginia

Cont'd on Page 8

Mary Lou Garrett greets visitors at the Visitors Center information desk.



Virginia Gordo. and Josie Megginson welcome visitors to the McLean House.

Susan Williamson and Mary Ayres show young visitors some articles in the Meeks Country Store.

Cathy Gowin and Diane Smith show visitors the Pamplin pipes.
